

YOUNG ADULTS, SEX & TECHNOLOGY

**THURSDAY,
JULY 15TH, 2010**

BUFFALO STATE COLLEGE

Butler Library – Room 210

Training 9:00am–3:00pm

Registration 8:30–9:00am

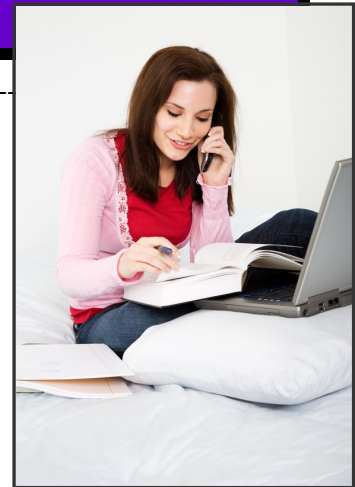

Lunch on your own.

PRE-REGISTRATION & PAYMENT REQUIRED

OPEN TO THE PUBLIC.

A full day training focusing on young adults and digital media as well as the impact that commercial media has on body image and self-esteem. Learn how media use is associated with the sexual knowledge, attitudes, and behavior of young adults. The effects of technology on dating violence will be discussed. Explore the challenges of new technology including sexting, chat rooms, blogging, social networking sites and internet safety.

Featured Presenter: CHRIS SPICER, Training and Curriculum Specialist, Planned Parenthood of WNY
